# Class Project: Rideshare

REPORT SUBTITLE

Date of Evaluation: 20/05/2020 Evaluator(s): Prafullata & Sujay Submission ID:

Automated submission score:

| SNo | Name           | USN           | Class/Section |
|-----|----------------|---------------|---------------|
| 1   | Akash P S      | PES1201701773 | Е             |
| 2   | K Suhas        | PES1201700816 | Е             |
| 3   | Manvith J      | PES1201701774 | G             |
| 4   | Yadhunandhan S | PES1201701404 | A             |

## Introduction

- The code which we have completed includes the first two assignments.

#### Related work

All the work was done based on the links given in the instructions of the assignments.

## ALGORITHM/DESIGN

This is where you talk about either the algorithm that you used or the design of your system. How did you setup zookeeper.

## **TESTING**

What were the testing challenges

Explain how you fixed the issues on automated submission

#### **CHALLENGES**

## Contributions

Each individual team member must list their contributions towards it.
